## Uncle Sam's Employees Must Be Neutral

PRESIDENT ISSUES AN ORDER WARNING CIVIL, NAVAL AND MILITARY EMPLOYEES NOT TO DO OR SAY ANYTHING THAT WOULD GIVE OFFENSE TO EITHER JAPAN OR RUSSIA.

Collector Stackable has received a copy of the president's order regarding employees of the United States government maintaining a strict neutrality in the war between Japan and Russia. The order is somewhat original and is as follows:

"All officials of the Government, civil, military and naval, are hereby directed not only to observe the President's proclamation of neutrality in the pending war between Russia and Japan, but also to abstain from either action or speech which can legitimately cause irritation to either of the combatants. The government of the United States not only in the sincerity with which it is endeavoring to keep the scales of neutrality exact and even, but in the sincerity with which it deprecates the breaking out of the present war, and hopes that it will end at the earliest possible moment and with the smallest possible loss to those engaged. Such a war inevitably increases and inflames the susceptibilities of the combatants to anything in the nature of an injury or slight by outsiders. Too often combatants make conflicting claims as to the duties and obligations of neutrals, so that even when discharging these duties and obligations with scrupulous

care it is difficult to avoid giving offense to one or the other party. To such unavoidable causes of offense, due to the performance of national duty, there must not be added any avoidable causes. It is always unfortunate to bring old-world antipathies and jealousies into our life, or by speech or conduct to excite anger and resentment toward our nation in friendly foreign lands but in a government employee, whose official position makes him in some sense the representative of the people, the mischief of such actions is greatly increased. A strong and self-confident nation should be peculiarly careful not only of the rights but of the susceptibilities of its neighbors; and nowadays all of the nations of the world are neighbors one to the other. Courtesy, moderation, and self-restraint should mark international, no less than private, intercourse.

"All the officials of the Government, civil, military, and naval, are expected to carry themselves both in act and in deed as to give no cause of just offense to the people of any foreign and friendly power; and with all mankind we are now in friendship.

"THEODORE ROOSEVELT.  
"White House, March 10, 1904."

## THE STRIKE HAS BEEN SETTLED

HEAD LUNA AT OAHU SUGAR COMPANY RESIGNS AND STRIKING JAPS AGREE TO WORK.

The strike at Oahu Sugar Company was settled yesterday afternoon, through the efforts of A. K. Ozawa and T. Ishikawa the executive officers of the Central Japanese League. Head Luna Patterson against whom the Japanese had a grievance, resigned and with his retirement from the plantation luna service, the main point on which the Japanese had struck was conceded. In speaking of the matter last night Mr. Ozawa said: "The laborers had no grievance against Manager Ahrens of the plantation. As the executive officers of the league we want to state that Manager Ahrens has been most liberal in his concessions, and has done all he could to meet the situation, consistent with his position as manager. As long as the demands were within reason he was willing to make concessions. Manager Ahrens' attitude throughout was favorable and the laborers are satisfied with his treatment. The result of the whole matter is that the laborers have agreed to go to work perfectly satisfied with the adjustment."

Lieutenant Sam Leslie and the posse of mounted police who had been at Waiapahu since the outbreak of the trouble, returned to Honolulu last night.

## COME EARLY

Kalidoscopic changes of color and bright costumes throughout mark the production of the Akbund of Swat, which will be given first this evening at the Opera House. The performance has had its last polishing and if previous appearances of the amateurs who take part are to be considered the result will be a production which will take rank with the professionals.

A large number of friends of those in the piece were present at the dress rehearsal last evening and on all hands was the same comment, that the piece is destined to be a great success. The color scheme, as displayed in the finales and in fact all the ensembles is excellent and some of the gowns will be surprises.

For the performance the curtain will rise at 8:15 o'clock and as the action begins with the entrance of the summer girls chorus there is much to be lost if the audience is not in the house when the overture is played. In the overture Composer Barton has made a judicious selection of the motifs of the good things musically of the opera and it will be worth while for every one to be in his place before the first bars are played. There are still a few seats if those who would like to see the performance have not been accommodated. The house has been practically sold out for the Saturday evening performance as well.

### CHINESE STEAMSHIP CO. OUT.

Associated Press, Morning Service. PORTLAND, Ore., May 5.—The China Commercial Company will withdraw its line between Portland and Hongkong.

The China Commercial Company has apparently given up the fight for a share of the Oriental freight and coalle passenger traffic. The company has been operating for some months but has had numerous difficulties, one of its steamers being piled up on the reef at Honolulu, and all of the other steamship companies reducing rates to drive it out of business. Its vessels first traded with Mexico and San Francisco from Hong Kong but an agreement was made later with the other companies that it should cut out San Francisco as a port of call, Portland being substituted. During the freight rate war resulting from the new entry into the carrying trade flour was carried to China at as low as one dollar a ton and on one occasion the Pacific Mail Company charged but \$2 per head for Chinese steerage passengers from San Francisco to Hongkong.
